

8" x 8" Sample
Shown in Sandstone finish

Varia | Birch

The wispy, thin, birch branches of this interlayer can be used to add an element of charming serenity to the spaces you're designing for.

MATERIAL DETAILS

Gauges	Varia: 1/2", 3/4", 1"
Panel Sizes	Varia: 48" x 96", 48" x 120"
Pattern Direction	Parallel to Long Side Can be rotated
Available Materials	Varia
Price Group	C
Fire Rating	Class A: 1/16", 1/8", 3/16", 1/4", 3/8", 1/2", 1" Class B: 3/4"
Notes	Birch will sometimes bleed and cause small amounts of yellowing while being manufactured. In addition, due to the manufacturing press process, birch bulbs may be dispersed within the sheet, some of which will be trapped in clear areas for the Birch Grove.
Lead Time	4 weeks
